Our Lady of the Way Kindergarten

30 Alcantara Boulevard,
Wallan VIC 3756

We provide a safe and welcoming learning space for your child.

We offer free sessional kindergarten for three and four-year-old children, funded by the Victorian Government.

At MACSEYE, we spark your child's curiosity, igniting a love of learning that supports them to achieve their potential. Our team of qualified teachers and educators create engaging environments that focus on individual interests and ideas, building confidence and social and emotional skills beneficial for life learning.

Guided by Catholic values and best practice in early years education, we also nurture your child's spiritual, emotional and social growth.

A MACSEYE kindergarten is your child's space to flourish.

Why families choose MACSEYE

Smooth Transition to School

Supporting the development of skills, knowledge, and attitudes necessary for success in their formal schooling journey, later learning and life.

Play-Based Learning

Through different forms of playful learning, children have opportunities to experiment, test, build, plan and discover ways of making sense of their world.

Qualified Kindergarten Teachers

Our team of highly qualified and passionate educators are dedicated to providing your child with the best learning experience possible. We adhere to the National Quality Standard (NQS), with a focus on creating a safe, engaging, and supportive environment, we help children grow, learn, and reach their full potential.

Exploring Knowledge

We offer a rich learning environment with opportunities for children to engage in science, language and literacy, music, creative arts, numeracy, physical activity and team games and nature-based exploration.

Strong Community

With kindergartens close to or co-located with Catholic primary schools, there are opportunities for engagement in school events and connection with the school parish and local community providing a sense of belonging for children.

Purpose-Built Children's Hubs

Our new purpose-built children's hubs offer thoughtfully designed indoor and outdoor areas, creating the ideal environment for play, learning, and a smooth transition throughout the day.
